

## **TOWN PROCLAIMS AN ANNUAL CLEAN-UP CAMPAIGN**

The Town Council of Hollywood Park has proclaimed April 4<sup>th</sup> through April 12<sup>th</sup> as **Annual Clean-up Week, Fix-up Week.**

In conjunction to this campaign, all discarded items such as old furniture, hot water heaters, appliances, bulky waste items, including brush and shrubbery, will be picked up by Waste Management. It is important that no scrap iron, wire or any other metal objects be mixed with the brush and shrubbery placed on the curb for disposal.

To avoid damage to fences, gas and water meters, telephone pedestals and fire hydrants etc., all brush and shrubbery must be placed in an area clear of such obstacles. Brush and other bulky waste items must be placed at the curb line in front of the residence to be serviced (**no vacant lots or commercial establishments**). Item(s) not so placed will not be picked up.

### **Note**

**Air conditioners, refrigerators, freezers or other appliances containing Freon will not be accepted without a tag from a qualified technician to show all Freon has been removed and properly discarded.**

Since the collection vehicles will pass down each street only once, it is important for all discarded bulky waste items to be placed at the curb line in front of the residence to be serviced no later than **7:00 AM on Monday, April 12<sup>th</sup>, 2010.**
